

Acquire a
TESOL
teaching certificate
while studying
online.

e-**TESOL** Certificate

Our e-**TESOL** course is a flexible programme that equips you with the necessary skills and certification to teach English effectively. Whether you are a novice or experienced English teacher, or someone keen to acquire new skills, this course will give you fresh insights into English Language teaching methodology.

The course activities include working with a personal online coach, watching videos of teachers teaching, learning to analyse and identify good practices being demonstrated, discussing lesson structure and planning lessons.

You will also have the opportunity to teach in a real classroom and put your newly acquired skills into practice.

Enrolment Process

You need to fulfil the Enrolment Criteria:

- Be at least 18 years old
- Have successfully completed secondary education
- Show proof of a good command of English (Equivalent to a B2 - C2 CEFR level)
