TAIWAN'S MUSICAL GARBAGE TRUCKS

JUST ENGLISH EXPLORER VOL. 12 ISSUE 5

FUN AT THE FLYING CIRCUS

ELEMENTARY (A2)

INFORMATION REPORT

READING COMPREHENSION

1. Where did people in Taiwan throw their rubbish before the trucks came about?
People used to throw rubbish from their homes on the streets outside.
2. What happens when rubbish piles up?
It created a rat and cockroach problem.
3. What do residents have to do before coming out to the musical garbage trucks?
All the rubbish has to be separated into different bags.
4. How does the government catch those who throw their rubbish by the roadside?
They installed cameras around problem areas. Anyone caught throwing rubbish bags on the streets will be fined.
